Session 2018-19

Programme outcome

Throughout the year students remain in contact with the teacher-in-charges and mentors nominated by the teacher-in-charge. All information related to students is communicated to them by displaying on the notice board, by communication through mentors, by displaying academic calendar on website and notice board.

The institution holds term examination twice a year. Regarding this, every student is communicated by mentioning probable dates in the academic calendar and putting up notices on notice boards. Teacher-in-charges announce in their classes and student mentors also inform the students in their groups.

Answer sheets of the term exams and result are handed over to students in classes and wherever necessary, teachers guide the students about their short comings during personal discussions with that student. The examination committee displays the outcome of the term examinations on official website as well.
