Session 2020-21

Program outcome and Course outcome

The students graduate from this institution in commerce and humanities streams. The students passing out with commerce degree will attain the skill to qualify for post-graduation programs, chartered accountant, company secretary and ICWA courses. In humanities the institution extends education in Hindi, English, Sanskrit, Geography, Political Science, Economics, History and Home Science courses. Student after graduating with these subjects have opportunities in vast range of fields. They go for post-graduation program and many of them opt these courses as one of the subject in various competitive examinations. After studying for three years they gain knowledge and have a command over their subjects. The students are involved in the social activities by conducting rallies, nukkad natak, guest lectures etc. This activity enables the institution to inculcate social responsibilities and moral values in them. The institution is extending NSS programme to achieve its goals.

Throughout the year students remain in contact with the teacher-in-charges and mentors nominated by the teacher-in-charge. All information related to students is communicated to them by displaying on the notice board, by communication through mentors, by displaying academic calendar on website and notice board.

The institution holds term examination twice a year. Regarding this, every student is communicated by mentioning probable dates in the academic calendar and putting up notices on notice boards. Teacher-in-charges announce in their classes and student mentors also inform the students in their groups.

Answer sheets of the term exams and result are handed over to students in classes and wherever necessary, teachers guide the students about their short comings during personal discussions with that student. The examination committee displays the outcome of the term examinations on official website as well.

University examination results of all classes are as follows
