CURRICULAR ASPECTS	
1.1 - Curricular Planning and Implementation	
1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process	
<p>The institution being an affiliated one follows the curriculum provided by the affiliating university.</p> <p>At the start of the session the academic calendar is displayed to all students on the notice board and is also made available on official website. The teacher concerned explains the topics to the students in detail before starting the chapter in classes. The faculty members provide class notes to the students during their classes. Apart from class notes students are also given copy of the ppt, OHP sheets. Students can avail the reprographic facility in the library. During practical classes the material is provided by the institution under supervision of concerned teachers. Students maintain their practical record which is regularly checked by the teacher during practical classes. All students are aware of the academic schedule well in advance. Since the institution holds internal examination twice a year, the syllabus to be covered as per the term exams is disclosed to the students at the start of the session. Most of the courses run by this institution are under annual examination scheme. MA Geography is under semester examination pattern. The students of MA geography follow the</p>	

syllabus provided by the affiliating university.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The students are informed about the evaluation process in the beginning of the session during orientation program organized by the college administration. The academic calendar is displayed on the notice board and is disclosed on college official website. The students know well in advance about both the term examinations conducted on University examination pattern and practical exams. The result of both the term examinations are handed over to the students in parent teacher meeting. At institutional level, both the term exams are conducted on a similar pattern as adopted by the University. In this way, the students get a feel of the main university exam and realizing its seriousness. Slow performers identified are counselled and given special attention by the teachers and the institution organizes extra or remedial classes for them. The student's overall understanding regarding topics is measured through discussion in class room after completion of particular unit/ chapter in the class. The institution also notices the behavioural activity of the students admitted in the campus. Students' evaluation regarding behaviour and over all development is observed by the teacher in-charges keeping the activities of students in their knowledge through student mentors. Regarding this process all students are well informed.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The internal examination process is clear to all students. After assessment answer sheets are handed over to students. On seeing the assessed answer sheets, students contact the teachers on the spot and ask if they have any query, the teachers satisfy their query. On following this practice the students also know the assessment process of the university. They know for what mistakes the marks are deducted, the way to answer questions in university examination answer sheets. All such practices make the students secure better marks at university level. The marks awarded to students are not included in their final result declared by the university. Therefore much queries are not received and get resolved at class room level.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The Principal has delegated the powers of operational autonomy and maintenance of discipline in the campus to the faculty members of the institution. The Principal has constituted various committees for smooth working of the institution. These committees work independently under guidance of the in-charge of the committee. All decisions related to their duties are taken up by the committee. The in-charge of the committee holds a meeting with members and after discussion decisions are finalized. These decisions are discussed with the head of the institution for the smooth implementation. If finances are required, the in-charge puts up the matter with the head of the institution and prior approval is taken. As per need of the committee, students are also nominated in each of the committee so that they may also learn about the official procedures. At the end of the session each committee submits its report to the head of the institution. The Principal finalizes annual report of the institution and puts-up before the management committee. Faculty members actively participate in all activities organized in the campus. In programmes like sports activities, cultural activities etc. all committees like discipline committee, cultural committee, sports committee, purchase committee etc. work in coordination.
